## TESTIMONIALS

*"It really is a win-win for everyone by increasing profits, reducing energy costs and increasing rental and fridge space we are also eliminating the waste from bottled water."*

- Maurizio's Restaurant and Event Catering

*"Our customers love our still and sparkling water. The ProAcqua Water machine eliminates the need to store bottled water - and its saving us a lot of money. It's a great investment to our business."*

- Nicky Doughty Funtastico Subiaco
